

# *Ladies Day At The Range!*

## **Handgun Training and Shooting**

**Sunday, May 4, 2008 1:00 – 4:00 PM**

**Course Fee: \$25.00**

Hosted by NRA Certified Instructors Lindy L. Evans, and David R. Schleisman, this event lets the ladies have some fun without the guys around. If there's a handgun in your home, if you have a CCW or if you're just curious, *this is your day!* There will be an overview of safe handling, and shooting techniques. You will have an opportunity to shoot several types of handguns at both steel knock down and paper targets. The emphasis is on the individual shooter. Instructors will be present to answer questions and help you get comfortable. You are welcome to bring your own pistol (cased) and ammunition as well as eye and hearing protection.

## *Ladies Pistol Workshops*

**Saturday, June 14, 2008 and Saturday, July 19, 2008**

**1:00 – 3:00 PM**

**Workshop Fee: \$10.00**

Hosted by Lindy L. Evans and David R. Schleisman, these workshops pick up where the “Ladies Day” leaves off, and like “Ladies Day” it is solely for their enjoyment. More focus is placed on developing shooter safety, comfort, control and specific skill sets. This is a flexible program, customized to the proficiency level and interests of individual shooters. A combination of paper and steel-reactive targets will be used.

**Pre-registration Required!**

## **The Benzie Sportsman's Club**

Individual instruction available by appointment

**Lindy Evans 231-882-4154**

**David Schleisman 231-882-4673**
